TLC Connector

Talk. Listen. Connect.

Citizen activation training relevant for everybody

FREE Training for people living in Kangaroo Island

Tackling Loneliness, the impact of grief and improving connections

Talk Listen Connect (TLC) is a citizen activation training program. We aim to support as many people as possible to take part in our TLC workshops to build their skills and confidence to make a difference in their community, workplace and neighbourhood.

We believe in a world where there are millions of people who are creating and supporting social connections for people who are feeling lonely and isolated.

Anyone living in or working in country SA can be part of Talk Listen Connect; retirees, hairdressers, taxi drivers, shop staff, bar staff, in business, in schools - anyone who is in contact with people.

Friday 11 December 2026
10:30am-12:00pm
Venue: 43 Dauncey St, Kingscote SA 5223
